Term 2 2018

Thank you for all your help this year. If you are unable to attend your rostered day, please contact another parent to swap. As the menu has changed it is extremely important to have the volunteer support, the making of fresh food takes a lot more time. If you know of any other parent who would like to help please encourage them to volunteer... your assistance is valuable!

I appreciate your support in providing our children with fresh quality food.

Thank you

God bless

Francesca Ienco
