

Newsletter Term 3

Welcome back all families at Infant Jesus OSHClub. We had a great start in term-3 with many new children joining our oshclub family.

Jaspreet and Chanelle are ongoing educators at OSHClub. We are happy to see new children settled in, making new friends and enjoying their experience at after school care.

What's happening in our service

Children are always excited to come back to OSHClub after the long holidays. They shared their experiences and stories with educators and other children during our mat sessions.

This term, students at OSHClub have been focusing on Staying Healthy and have been learning all about How to Save The Environment. During one of our mat sessions, we had a group discussion about how we can save the ocean, the forest and the whole world. Students have also been working on aboriginal activities and sustainable art & craft.

Policy review

Interactions with children policy and procedure 1.1

Children are treated with respect, dignity and are valued as unique, capable and competent individuals at all times.

Working collaboratively with children and viewing children as active participants encourages mutual respect, trust and communication. Through positive interactions, educators value children's strengths, skills and knowledge and support their wellbeing motivation and engagement at the service.

Feedback/Suggestion

At Infant Jesus OSHClub we value and appreciate all family contribution. We believe that we are one big family and therefore if you have any suggestions or feedback please come and discuss them with us, we are always looking at ways to improve and work in partnership with our Infant Jesus families. We appreciate all the support, feedback, and donations from the families at OSHClub. THANK YOU!
